

# The Democrat Party—The Anti-Bible Values Party

Proverbs 29:2 When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn.

There was once a time when many of us growing up loved America and all that goes with it. Many of us moved there and lived there. We believed in the opportunities and the exceptionalism that it offered. We believed that America was a good country and while the American people still are on the large scale, much of it has changed and is changing very rapidly—especially the ruling class.

Not all but many of our non-American brothers and sisters do not know much about the American political landscape and the influence it has on the world. Some, if not, many have taken on a position of accepting a certain political party with little knowledge and research. I have done the research for you.

I believe the Lord is leading me to teach on this as He led me to write about it in my Book about 4 years ago. As a minister of the gospel I'm very aware that in the political landscape exist mostly biblical issues which have to be addressed by ministers (like myself) rather than the Lame Stream Media or the political pundits and operatives.

Today we can publicly know the positions of our presidential candidates. There is more information about them and what they stand for today than ever before in history. They can't hide.

Whoever is in charge will either promote godliness in America and around the globe or Ungodliness. Believe it or not, it affects you even in Uganda. Each leader would promote certain positions—biblical or unbiblical which would play a part in the promoting godliness or not. This is why you need to care about who is in charge.

If we have an ungodly president in the White House, your children are in danger, our nations are in trouble AND the church will be persecuted and silenced, if possible.

Proverbs 14:34 Righteousness exalteth a nation: but sin is a reproach to any people.

Proverbs 28:28 When the wicked rise, men hide themselves: but when they perish, the righteous increase.

The Democrat party is an Anti-Christian party that has positions that contradict Biblical values and beliefs.

Democrat position:

You can be of another religion, and they will love you, but not a Christian), removed prayer from the public such as schools, etc.

Persecution of the Christians

1. Anti-Traditional marriage.

Democrat position:

- A) Democrats argue that marriage should be a right for all individuals, regardless of gender or sexual orientation, and that denying same-sex couples the ability to marry is a form of discrimination.
- B) Marriage is the union between people that love each other regardless of age and sex.

Republican position:

- A) Marriage is the union between one man and a woman.
- B) Many Republicans believe that this view aligns with longstanding cultural, religious, and societal norms. The party's platform has historically emphasized the importance

of traditional family structures, often linking them to the stability of society and the raising of children.

- C) The Republican party supports nuclear family—a father, mother, and children—which is the bedrock of a stable society. This principle aligns with the Word of God.

Bible Position:

- A) Hebrews 13:4 Marriage is honourable in all, and the bed undefiled: but whoremongers and adulterers God will judge.
- B) Christian Biblical values and Biblical traditional sexual ethics are foundational for a strong society, not sexual perversions such as LGBTQ.
- C) God loves them, but God is not in favor of normalizing them. They MUST be born-again (John 3:3).
- D) God created Adam and Eve. (Male and Female created He them).

*Genesis 1:27 So God created man in his own image, in the image of God created he him; male and female created he them.*

- 2. Party of abortion (Murder of babies in the womb, infanticide),

Democrat position:

- A) They democrat party does not believe in the sanctity of life as the bible teaches. While the Bible teaches that life begins at conception, the democrat party does not.
- B) Many of them believe in abortion on demand. Meaning you can have it whenever you want to. This has been disguised as women reproductive rights and has led to the Murder of at least over 62 million babies.

- C) **Infanticide:** Infanticide is the evil, ungodly act crime of killing an infant or a child within a year of birth, especially one who has survived the act of abortion. Evil is publicly promoted in our society. If our leaders hated evil and ungodliness, Planned Parenthood would have been out of business decades ago.

I came across a news article by The Great Rush Limbaugh that detailed how the US Congress voted on an anti-infanticide bill. In February 2019, Senator Ben Sasse of Nebraska proposed a simple bill in the United States Senate. It's called the Born-Alive Abortion Survivors Protection Act (S. 311). It had one objective—to force lawmakers to go on the record about whether they support or oppose infanticide.

The summary of the bill by Ben Sasse read along these lines, If an abortion results in the live birth of an infant, the infant is a legal person for all purposes under the laws of the United States and the Constitution and is entitled to all the protections of such laws.

What were the results? The bill failed because it was opposed. The final vote was 53 to 44. They needed 60 votes for the bill to pass. Several Democrat candidates for the Democratic presidential nomination in 2020 (Sens. Cory Booker (N.J.), Sherrod Brown (Ohio), Kirsten Gillibrand (N.Y.), Kamala Harris (Calif.), Amy Klobuchar (Minn.), Jeff Merkley (Ore.) and Elizabeth Warren (Mass.)—plus independent Sen. Bernie Sanders (Vt.)—voted against the Born-Alive Abortion Survivors Protection Act.

All democrats apart from three (Democratic Sens. Bob Casey (Pa.), Doug Jones (Ala.) and Joe Manchin (W.Va.) voted in favor of this bill. All the rest of the Democrats voted to block (against) the bill. In other words, they voted for infanticide.

Ritualistic child sacrifice of abortion

#### Republican position:

- A) Republicans believe generally in a few exceptions: Life of the mother, Incest, and rape.

- B) Modern science and Technology have proved that life begins at conception agreeing with the bible position.

Bible Position:

Abortion is murder.

It is the killing of an innocent voiceless child (human being in the womb of the mother. The Bible does not promote it.

Anyone seeking abortion rights is simply seeking the right to end another human being's life.

The Human rights groups go missing on these and only appear in pushing LGBTQ rights. How about the rights of the unborn. They are humans and need their human rights.

- A) Galatians 1:15 But when it pleased God, who separated me from my mother's womb, and called me by his grace,
- B) Psalm 139:13-16 For You formed my inward parts; You covered me in my mother's womb. 14 I will praise You, for I am fearfully and wonderfully made; Marvelous are Your works, And that my soul knows very well. 15 My frame was not hidden from You, When I was made in secret, And skillfully wrought in the lowest parts of the earth. 16 Your eyes saw my substance, being yet unformed. And in Your book they all were written, The days fashioned for me, When as yet there were none of them.
- C) Jeremiah 1:5 Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.
- D) Luke 1:15 For he shall be great in the sight of the Lord, and shall drink neither wine nor strong drink; and he shall be filled with the Holy Ghost, even from his mother's womb.

E) Luke 1:31 And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name JESUS.

F) Luke 1:41 And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost: 42 And she spake out with a loud voice, and said, Blessed art thou among women, and blessed is the fruit of thy womb.

G) Luke 1:44 For, lo, as soon as the voice of thy salutation sounded in mine ears, the babe leaped in my womb for joy.

### 3. Party of gender mutilation

#### Democrat position:

Gender affirming surgeries and puberty blockers are ungodly as they go against the very nature and fabric of how God created each of us. While people may choose to do this, this position is a biblical position.

We see these are pushed on the kids especially.

California passed a bill stating that kids did not need to have parental consent to have these surgeries and puberty blockers. The richest man in the World had his child lured and deceived by these ungodly views.

This violates how God created man and woman and seeks to alter that in violation of His Word.

### 4. Party of LGBTQ, (Lesbians, Gays, Bi-sexual, Transgender, Q AND homosexuality, and sexual perversion,

#### Democrat position:

- A) Promote LGBTQ everywhere and all over the world. The LGBTQ position violates the traditional marriage values between one man and one woman.
- B) Voting and supporting the Democratic party violates the Word of God to the core and the foundation of a family.

5. Party of pronouns and limitless pronouns;

Democrat position:

- A) Party that denies that there are ONLY two genders and claim that gender is a social construct.
- B) Gender is a social construct.

Bible Position:

- A) Gender is not a social construct but is rooted in biological sex—male and female.
- B) **Man is XY chromosomes** and Female is **XX**.
- C) Gender and sex are not different. They are different words but mean the same thing unlike what the Democrats stand for.
- D) God created Adam and Eve. (Male and Female created He them).
- E) *Genesis 1:27 So God created man in his own image, in the image of God created he him; male and female created he them.*

6. Party of lawlessness (no rule of law)

*Proverbs 29:2 When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn.*

Democrat position:

- A) Against the border
- B) Pro-illegal migration – No country allows that. Migration has to be legal to be able to control social services, security and jobs of the citizens.
- C) Non-citizens voting. It is not hiding the democrats favor non-citizens to vote which is pure ungodly. No country on earth has that as its law.

Republican position:

- A) Unlike Democrats, Republicans advocate for stronger policing, border security, and strict enforcement of the rule of law.
- B) Republicans often argue that the Democratic Party's policies lead to lawlessness, pointing to policies like defunding the police and lenient sentences for criminals as weakening public safety.
- C) Republicans believe in justice, security, and accountability—which all are all biblical values and principles.

7. Party of welfare/government dependency

In Africa many of us believe in government support and all. The more you depend on anyone, the more you empower them. Government dependency is not good for any people.

Democrat position:

- A) Support an expansive welfare program. Democrats believe that government programs like food assistance (SNAP), unemployment benefits, Medicaid, and housing support are essential for reducing poverty, addressing inequality, and providing a pathway to economic stability for disadvantaged or vulnerable populations. This has led to people opting not to work because they are making more on welfare than they would working.

Republican position:

- A) Many welfare programs create a dependency on government and discourage self-reliance.
- B) They advocate for policies that promote personal responsibility, job creation, and economic opportunity, believing that government assistance should be a **temporary safety net**, not a **long-term solution**. The GOP often promotes workfare over welfare.

The poorest in America are those that depend on government. Hoods, ghetto, and generational poverty is tied to government welfare and long-term support.

Bible Position:

- A) 2 Thessalonians 3:10

- 8. Party for sex trafficking of little children and human trafficking.

Democrat position:

- A) Open borders and lack of tough enforcement of the law—both outspoken positions of Democrats have led to major issues such as sex trafficking of both girls and boys.
- B) The democrats have opposed laws aggressively prosecute Human and child traffickers.

- C) "California must prosecute these horrendous acts as the serious and violent crimes that they are," Senator Grove said. "The fact that Democrats refuse to do so should concern all Californians." By rejecting Senator Grove's amendments to Assembly Bill 2167 today, Democrats chose to keep the classification of human trafficking as a non-serious and non-violent crime, which does NOT count under California's Three Strikes law.

Republican position:

- A) Republicans stand firmly against human trafficking, including sex trafficking of children.
- B) Many Republican lawmakers push for tougher penalties on traffickers and broader law enforcement efforts to combat human trafficking.
- C) Under this current Administration, 500,000 children have been missing and it is believed that they have been sex trafficked. YES, children (kids).

A movie—*Sound of Freedom* lays out the facts. Shocking facts. Check it out.

“

#### 9. Sexual perversion education to children in schools

Party that stands for indoctrinating little children by teaching them sexual perversion at as early as 7 years.

##### Republican position:

- A) The Republican Party typically opposes the sexualization of children through education that introduces topics like sexual orientation, gender identity, or explicit sex education at a young age.
- B) They believe children should be protected from exposure to sexual topics until an appropriate age and argue that parents, not the government, should have the final say in what their children are taught regarding sensitive topics.

#### 10. Party for slavery

Republican position: Republicans have historically been associated with **abolishing slavery** (with Abraham Lincoln leading that charge). Today, the Republican Party often emphasizes economic freedom, personal liberty, and the promotion of self-empowerment through entrepreneurship and limited government intervention.

**Vote in a way that honors God and His Word. Do not vote Democrat.**

For a Christian, you have to vote like one. You vote the Bible—Biblical values and positions. In the US, we have two primary parties: Which party represents our position as believers more than the other? Uganda we are not safe, these positions have crept into our society and country. We need to push back.

You can be a Christian and be a Democrat, but you cannot be a disciple and be a **Demoncrat**.

While I may not convince you how to vote, I will tell you how I vote and what the Bible teaches.
